MYSORE CITY MUNICIPAL PRESIDENT'S OFFICE,

Dated 30th September 1898.

To

The Secretary to the Government of Mysore,
Revenue and General Departments.

SIR,

I have the honor to state that on Mr Andapuram Narasimma Iyengar applying to sell him the filled up portion of Doddakere Feeder Channel to the north of Chamaraj Road behind his Bungalow, the Sanitary Engineer with the Government of Mysore was requested to give his opinion on the question. A copy of his reply No. 2024/840 dated 4th August 1898, and the tracing referred to, are herewith enclosed for reference The portion marked Blue in the tracing is to be available now.

The application

be given at 4 annas a Square
yard under a Mutchalika
given by him in the year 1891,
when his land was purchased
for the extention of the Chama-
raj road at the above rate. A
copy of the same is herewith
submitted

If the land is not
enclosed it will become a place
of public nuisance and therefore
I propose to sell the land at 4
annas per square yard in
addition to his paying the cost
incurred for filling up the
Channel as the applicant is
willing to pay both.

He has built a new
Oriental house on the
Chamaraj Road costing
between 12 000 & 15 000,
which has no back yard, and the
land for which is only 40
feet long.

I request that you will be good enough to obtain the sanction of the Government for the same.

I have the honor to be
Sir
Your most obedient servant
